

WHEATFIELD PRIMARY SCHOOL DECEMBER 2014 NEWSLETTER

Dinosaur Week

The children ended their topic 'Which was the biggest dinosaur?' with a dinosaur hunt. There were clues around the school and hatched dinosaur eggs were found. Thankfully a 'friendly' T-Rex had left some dinosaur biscuits for the children to taste.

School Visits

If your child will be 5 years of age from 1st Sept 2015 to 31st August 2016 they can start school in September 2015. Visits for parents will begin after half term

Visits

The paramedics came to visit us. We learned about all the things that they do to help us. We went in to an ambulance and tried on their work clothes. Herbert tried the safety helmet on too.

Charity Events

The children of Sunflower Class came to school dressed as Superheroes to help raise funds for Children in Need.

(The grown ups dressed up too) Our very small school managed to raise a whopping £32.10. Well done everyone!

Governors

We have a joint local governing body across both Wheatfield and Windmill Primary Schools. Your Local Governors are; Reverend Paddy King (Chair and Academy Governor), Sandip Patel (Parent); Richard Whitaker (Parent); Mike Stockle (Parent); Katie Addis (Parent); Reverend Sam Denyer (Academy); Shaun Garret (Academy); Farzana Rob (Staff); Tamara Brown/ Clare Scragg (Shared Teacher Governor)

We have one Parent vacancy at Windmill Primary School

Our Aims and Values

After a very productive meeting with our parents we have devised the Values and Aims for Wheatfield Primary School.

Our Values are

- Be Confident
- Be Respectful
- Be adventurous, brave and true
- Be positive
- Be Happy
- Do the best that you can do

Our aims for each and every child are;

We want our children to be;

Integral to their local community –their school, Winkersham and Wokingham and have a positive impact on the local, national and global world around them.

We will provide opportunities for all children to actively participate and contribute to the life of the school, the community and our world wide neighbours

Life long learners equipped with the knowledge, skills and understanding to achieve well in all they do
We will provide a rich, exciting and motivating curriculum that will capture children's imagination and inquisitiveness which in turn will develop a thirst for learning and a curiosity to know more

Risk takers with a 'have a go attitude' when faced with opportunities and challenges
We will create a secure environment where children feel safe to make mistakes and learn from them, where we push children beyond their comfort zone and help them achieve more than they think they ever could

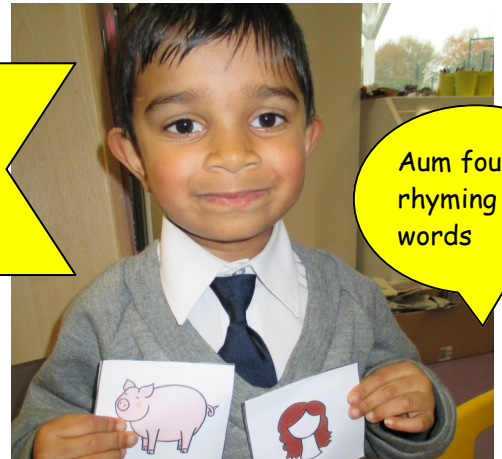

Good role models who are respectful, fair and compassionate
We will ensure a supportive environment where children can develop respect for themselves, others and their surroundings resulting in pride in themselves, their peers and their school and who are equipped to meet the changes in their life ahead.
