Do you have any old wall hanging photo frames—big small, round, square, rectangular or oval that you no longer want? Could we have them?

## Charity Events

Our Macmillan Coffee Morning on Friday 26th September was a great success. Parents, staff and children raised

£126.00 for this super charity. The children dressed in green and the Parents and staff ate cakes. Thank you for your contributions. Well done all

## Clubs

We are inviting in Get Active Sports Group to share their provision with you on Thursday 16th October at 9.00a.m. They will talk about the possibility of a 'before school' club with you. We are also interested in them running a gymnastics club and an athletics club for the children.

This is a chance for you to see them in action and ask any questions

## Phonics Workshop

We are aware that the way we teach phonics is very different to perhaps how you were taught. In order to help you to support your child with phonics at home we are running two workshops that you are welcome to attend. One at Wheatfield Primary School on Tuesday 21st October at 6.30p.m and one at Windmill Primary School on Wednesday 22nd October at 9.00a.m. You can attend either session. These are super workshops run by our phonics expert Mrs Powell

Can I remind parents that children riding a bike to and from school must wear a cycle helmet. Can I also explain that bikes and scooters may not be used on the school grounds. Please walk bikes and scooters in to school as soon as you reach the gates and vice versa.

There are too many small children around and the pathways are too narrow for scooters and bikes to be used safely. Thank you.

*Full P.E kits are needed for P.E each day at school. Can they be left in school, in P.E bags and all clearly labelled with your child's name, thank you*
